LOT 802

A Hearts and Spades pinball machine by D. Gottlieb & Co, Chicago, circa 1969, raised on plated metal legs, height 178cm, width 64cm, length 135cm (surface rust to metalware).

Estimate: £200 - £400

Condition Report

Coin operated but definitely not in working order. It lights up when plugged in but paddles or bumpers do not seem to be working. There are no keys and the overall condition is quite poor.
