LOT 286

A gold cased watch chain, fitted with a cast horse's head and a bloodstone and steel mounted watch key in the form of a pistol, also fitted with an advertising watch key to a length of chain.

Estimate: £120 - £180

Condition Report

The centre of the pistol watch key is rather loose. The steel end of the watch key is split. Some rusting has been cleaned off in the past. The chain is generally a bit worn. Horse head motif in good condition.
