LOT 675

William Benner - Shoreham Harbour with Two Beached Boats, watercolour, signed, 33.5cm x 46cm, within a stained wood frame.

Estimate: £30 - £50

Condition Report

Considerably faded with associated muting and loss of colour. Some browning or age toning throughout. Due to these condition flaws the original scratching out does not feature in the same way as intended by the artist. Mount and backing do not appear to be archival and therefore would warrant replacing. Frame okay with minor scuffs and scratches. The frame is also separating at corners.

Additional Information

No information on the reverse, other than a Bertram Atkins framers label partially obscured by new tape.
