LOT 806

A late 19th century Swiss Black Forest carved softwood smoking stand, the shaped top fitted with two compartments and three seated bear mounts, raised on a naturalistic stand with climbing bear, height 84cm, width 46cm.

Estimate: £1,200 - £1,600

Condition Report

All three bears have missing sections to arms and legs. The rear bear is loose on the top and needs re-fixing. Otherwise minor scuffs, marks and surface wear.
