LOT 652

William Russell Flint - Two Models in a Studio, 20th century colour print, signed in pencil,
37cm x 28cm.

Estimate: £30 - £50

Condition Report

In good original condition with no significant fading. No spotting or browning. Close mounted to edge of image so we cannot comment on the margins as it is unexamined out of frame. Mount and frame are in okay condition but the mount has some spotting and therefore would warrant replacing.
