

Jewellery / Wed, 24th January 2018 / Lot 590

## LOT 590

A gold and coral brooch, designed as a floral and foliate spray on a naturalistic bar, length 5.5cm (one coral leaf detached but present).

Estimate: £60 - £80

---

## Condition Report

590. The corals are of medium to pale colour saturation with some dirt encrustation. Some of the corals are loose on their pins and one or two corals possibly missing. Probably mid-19th century.
