

Clocks and Barometers / Thu, 25th January 2018 / Lot 1114

## LOT 1114

An early 20th century German walnut cased chess timer, the twin dials with black Roman numerals, subsidiary seconds and inscribed 'Fattorini & Sons, Bradford' and 'Made in Germany', the rectangular case with going/stop lever and brass handle, height 18.5cm, together with a similar oak cased chess timer by the Hamburg American Clock Factory, height 15.5cm.

Estimate: £300 - £500

---

## Condition Report

1114. Both appear to have standard mechanisms. Fattorini - both sides appear to work when corresponding side of handle pushed down, one side only for a few seconds though. HAC - one side works, the other side does not. Please be aware we give no guarantees to working order or reliability of any clock or watch.
