## LOT 2002

A 17th century oak gateleg table, fitted with a single fall flap, raised on turned baluster and block legs, height 68cm, width 79cm, depth 46cm (some restoration).

Estimate: £200 - £400

---

## Condition Report

2002. The base seems all original with typical deterioration to the feet tips. Some very minor worm. Good colour and a minor crack to one of the block joints. However, the top appears to be later attached with obvious later screw heads and is probably not original as there are marks where it may have been used as another top.
