LOT 784

An Ancient Greek Boeotian blackware kantharos, 5th century BC, the bell shaped body flanked by a pair of strap handles, on a circular foot, height 11.8cm. Note: accompanied by a Keramion Certificate of Authenticity and QED Laboratoire thermoluminescence report. Provenance: formerly from the Edouard Will Collection.

Estimate: £300 - £500

Condition Report

784. There appears to be two stress hairlines to either end of one handle.
