LOT 701

A group of six Ashanti Akan Aku'ba fertility figures, all typically modelled with flattened round heads and with overall black patinated surfaces, varying heights from 34cm to 24.5cm.
Provenance: from the estate of the renowned artist, the late Alan Davie (1920-2014).

Estimate: £150 - £250

Condition Report

701. Fairly typical general condition with some surface wear, minor scuffs and marks to high points of most of the figures.
