LOT 37

Alistair Grant - 'Hammersmith Bridge', lithograph in colours, signed and titled in ink, 52cm x 37.5cm, within a painted wood frame.

Estimate: £100 - £150

Condition Report

37. Light browning or age toning throughout, slightly heavier around edge mount. Considerable detritus to the underside of the glass, meaning it is difficult to establish if any of this has transferred to the print, but seems probably okay in this regard. Mount and backing are not archival. Mount with damp stain to bottom edge. Frame has considerable scuffs and scratches with loss to extremities.
