LOT 538

A white gold, emerald and diamond marquise shaped cluster ring, mounted with three rows of circular cut emeralds alternating with two rows of circular cut diamonds, detailed '18ct', ring size approx O1/2.

Estimate: £220 - £250

Condition Report

538. Overall ring is in generally good condition. Approx 0.45-0.50 total diamond carat weight. Some typical surface reaching inclusions to emeralds, but otherwise emeralds are in good order. Diamonds are a little steely in colour and some small inclusions are visible to diamonds under a x10 magnification loupe. Relatively modern ring.
