

Clocks and Barometers / Thursday, 22nd March 2018 / Lot 1085

## LOT 1085

A mid-20th century mahogany circular wall timepiece with single fusee movement, the backplate detailed 'Elliott Ltd, England 1941', the circular dial repainted with 'RAF' sector detail and Arabic numerals within a moulded surround, diameter 46cm, with pendulum.

Estimate: £150 - £250

---

## Condition Report

1085. An original clock by Elliott Ltd. Dial is repainted, unknown what it was originally. Some minor 'wood' damage to side door. Lower door with lock but no key. Signs of a catch being fitted. Movement complete and fairly clean but would benefit from a service to return to working order.
