LOT 2002

A Regency mahogany side table by Gillows of Lancaster, the galleried back above three drawers, raised on turned and reeded legs with brass caps and castors, maker's stamp to drawer, height 80cm, width 114cm, depth 60cm. Note: a similar drawer moulding and frieze design can be seen on a washstand illustrated in 'Gillows of Lancaster and London 1730-1840' by Susan E. Stuart, page 333.

Estimate: £300 - £500

Condition Report

2002. Overall typical marks, scuffs and bumps commensurate with its age. Both sides of the gallery are slightly raised from the top due to very slight warping. There are two small strips of beading missing on the right hand panel of the frieze. The left hand drawer handle is a replacement. Otherwise generally good order.
