

Cameras and Scientific Instruments / Thursday, 22nd March 2018 / Lot 1138

## LOT 1138

A Stanley 'Fuller Calculator' with scale of sines and logs, with Bakelite and brass fittings, numbered '12922' over '63', length 43.5cm, boxed, together with a small group of rules.

Estimate: £60 - £100

---

## Condition Report

1138. Calculator - good condition, no apparent damage or repairs to Bakelite mounts or brass. Very minor typical wear to cylinders. Box in good order with typical wear and scratches. 3 boxwood rules - two with chips to corners and wear, other in better condition but typical scratches and some ink staining. Ivorine protractor - ink staining and writing on it. Folding rule - just about ok, but very tired and worn.
