LOT 4003

An Arts and Crafts oak bench, the rectangular top raised on a pair of trefoil pierced supports with similarly pierced brackets, terminating in shaped block feet, height 52.5cm, length 111cm, depth 25cm.

Estimate: £100 - £150

Condition Report

4003. Both end supports have an added section at the base where it may have just been straight sided. There is a slight lean to the seat, probably would have been a choir stall of some sort and had some alterations to make it more useable and bench-like.
