## Condition Report

1075. Dial, hands and case in excellent condition. All five glass panels undamaged. All parts of the mechanism are intact and nothing is missing. Platform is slightly tarnished. The clock is not running, we do not think there is anything seriously wrong but it will require a professional clean to bring it back to working order and please be aware we give no guarantees to working order or reliability of any clock or watch. There is no winding key.
