LOT 2179

A mid-20th century French walnut and gilt brass drinks trolley, height 84cm, together with a mid-20th century chromium plated tubular metal trolley of circular form, height 75cm.
Provenance: from the estate of the late Nellie Lenson-Smith (1928-2017).

Estimate: £30 - £50

Condition Report

2179. The chromium plated trolley is in good condition, however it is missing the two platforms that would have rested on the bars. The other trolley has some areas of oxidization to some of the brassware and some other minor surface wear. Also lacking a screw to one of the uprights. Both mid-20th century.
