LOT 507

A gold and half-pearl set oval pendant with a stylized flowerhead shaped motif to the centre within a star shaped surround, circa 1900, length 4.5cm.

Estimate: £200 - £300

Condition Report

507. The pearls generally have an attractive silvery lustre however, the piece is rather dirty and would benefit from careful professional cleaning. The brooch pin fitting from the back is lacking and there is scratching to the back of the piece as a result of testing the gold. Weight 11.8g.
