

Jewellery / Wednesday, 18th April 2018 / Lot 509

LOT 509

A gold, opal and diamond ring, mounted with the oval opal within a foliate surround, bordered by cushion shaped diamonds, between pierced shoulders, ring size approx P1/2.

Estimate: £100 - £150

Condition Report

509. The opal has a few surface marks partly polished out. The surrounding diamonds have one or two piqué inclusions. Although unmarked the suggested age of the ring is late 20th century. Weight 5.5g.
