

Jewellery / Wednesday, 18th April 2018 / Lot 543

LOT 543

A gold and aquamarine ring, the oval aquamarine carved with a flowerhead motif within a pierced wirework surround and split shoulders, ring size approx N1/2, aquamarine weight approx 14.50ct.

Estimate: £100 - £150

Condition Report

543. Colour: an attractive light blue colour. The ring has been sized upwards in the past with the addition of a gold section to the back of the shank. The wirework decoration is slightly distorted in places and is starting to break down when viewed from the back, otherwise in good condition. It is solid gold but it is not hallmarked. Weight 8.5g. Head of the ring is approx 2cm x 1.6cm. Stone is approx 1.5cm x 1.3cm x 0.8cm.
