## Condition Report

546. The jade beads are semi-translucent with slight variation of mottled colour. There are one or two beads possibly added in. French hallmarked, white gold clasp. Clasp in good working order. The diamonds to the clasp would benefit from careful professional cleaning. There is a chip to the edge of the table facet of the principal diamond, with small visible inclusion near to the edge, otherwise a fairly white stone. Central diamond approx 0.08ct. Weight 70g.
