LOT 609

A 18ct gold, diamond and ruby three stone ring, mounted with a cushion shaped diamond between two rubies, Chester 1888, ring size approx N.

Estimate: £80 - £120

Condition Report

609. Diamond is difficult to weigh as you cannot measure the depth because of the setting, however we would suggest it is approx 0.08ct. No damage or repairs to stones but there are surface abrasions to the stones. Gold ring in good order with typical surface scratches. Weight 3.6g.
