LOT 2050

A Regency mahogany concertina-action extending dining table, in the manner of Gillows of Lancaster, the fold-over top opening to fit two extra leaves, the frieze with applied roundels, raised on turned and reeded tapering legs terminating in brass caps and castors, height 72.5cm, length 227cm, depth 114cm.

Estimate: £1,000 - £2,000

Condition Report

2050. Generally good condition and appearance with some minor scuffs, marks and bumps. The central leaf appears to have originally been professionally re-glued together. There are a few minor repairs to the frieze with some replacement sections of beading/ Small area of cracking to veneer on frieze. The clips appear to be later replacements and there is a repair to the top of one central leg.
