LOT 2032

A pair of Louis XVI painted and carved walnut framed side chairs, the oval backs with carved floral surmounts, raised on bellflower carved legs, height 100cm, width 51cm (faults).

Estimate: £80 - £120

Condition Report

2032. One of the chairs has had the two front legs really badly worn, presumably cat clawed. It also has the detached surmount. The other chair has a crack to the lower back joint so is a bit wobbly. Overall surface wear and in need of restoration but no obvious woodworm.
