LOT 2080

An early 19th century mahogany chest of two short and two long drawers, on bracket feet, height 87cm, width 120cm, depth 55cm.

Estimate: £80 - £120

Condition Report

2080. The top has a fairly considerable gap running across it. The handles are replacements and the feet have been reduced in height slightly. General condition is fairly good, but please be aware that it could have been the lower half of a chest-on-chest or linen press.
