

Collectors' Items, Works of Art and Light Fittings / Friday, 20th April 2018 / Lot 2688

LOT 2688

A late 19th century cast brass Corinthian column table lamp, height 39cm, together with a late 19th century gilt metal and opaline glass table lamp, height 40cm.

Estimate: £60 - £90

Condition Report

2688. The Corinthian column lamp does not sit quite straight but otherwise the condition is ok. The other lamp has some minor wear but is generally ok. Both have been wired for electricity including having the bases drilled through the side.
