LOT 2010

A late Victorian pollard oak twin pedestal desk, fitted with nine drawers, on plinth bases, height 77cm, width 122cm, depth 56cm.

Estimate: £50 - £80

Condition Report

2010. The desk does not come into three. The top has some surface scratches and it looks like it would have originally had a small gallery at the back. Otherwise just a few small chips to the veneer on the edges of the pedestals.
