LOT 493

A gold, black onyx and seed pearl gentleman's evening wear dress set, comprising four buttons, a pair of cufflinks and a pair of studs, each with a square black onyx front centred by a seed pearl, detailed '9ct', with a fitted case.

Estimate: £100 - £150

Condition Report

493. The fronts look to be in good condition. There is some discolouration to the borders. One loop to one button looks to be replaced. There are one or two shallow dents to the back of the buttons and the cufflinks. One end of one cufflink is damaged and dented at the back and to the edge. The screw top to one stud is cross threaded and will not screw down properly. Weight 13.9g.
