## LOT 547

An enamelled, coral, half-pearl and gem set bracelet, probably Austro-Hungarian, early 20th century, formed as a series of circular links, on a snap clasp, detailed 'P V 835', length 18cm.

Estimate: £100 - £150

---

## Condition Report

547. A pair of base metal links have been added in on each side of the box of the clasp to lengthen the bracelet. There is some loss of enamel work to the white enamel of the principal link. A base metal safety chain. Otherwise in good condition commensurate with age. Weight 48.2g.
