LOT 578

A gold mounted oval portrait miniature bracelet clasp, painted with a young girl wearing a pale blue dress decorated with lace, circa 1820, length 3.5cm.

Estimate: £80 - £120

Condition Report

578. The portrait miniature is slightly faded and a little dirty beneath the glass. The miniature appears to be in generally good condition with no apparent damage or repairs. The glass exterior is a little scratched in places. Gold clasp frame, mount and back in good order with only typical light surface scratches. In otherwise good condition. Weight 13.5g.
