LOT 670

A gold and moulded paste imitating banded agate oval intaglio link necklace, formed as a row of graduated moulded intaglios in a variety of classical designs, length 40cm (one intaglio detached but present), together with two bracelets of similar design, a brooch and the top of an earring, all probably first quarter of the 19th century.

Estimate: £600 - £800

Condition Report

670. The intaglios are well moulded showing attractive definition. There are a few small chips to the edges. The link with a missing intaglio is split at the side. One intaglio beyond the box of the clasp of one of the bracelets is blue at the back. The backs of the other intaglios are white. The hook of the brooch has been replaced at the back. There is minor surface wear to the front of the brooch intaglio, otherwise good condition.
