LOT 308

An Edwardian silver capstan inkwell, the hinged lid fitted with a Goliath pocket watch, Chester 1907 by Cornelius Desomeaux Saunders & James Francis Hollings Shepherd, height 7.5cm.

Estimate: £150 - £250

Condition Report

308. Fabric base which is very worn and tired. Hallmarks to base rubbed but readable, hallmarks to cover illegible. A few tiny dents to base, nothing untoward, in good condition overall. No lines to inkwell. Watch is good fit. It does tick for a while if wound and moved, but it only goes for a few seconds and doesn't maintain power.
