

Jewellery / Wednesday, 16th May 2018 / Lot 676

LOT 676

A gold mounted Roman bronze coin bracelet, collet set with a row of Roman bronze AE 3/4 issues, including Urbs Roma and Constantinople types, on a boltring clasp, fitted with a safety chain, length 21cm, and a gold brooch, mounted with two similar coins, width 3.2cm.

Estimate: £100 - £150

Condition Report

676. Overall generally good condition, gold mounts in good order - some wear to coins but definition still good.
