## LOT 2018

An early Victorian mahogany serving table, the inverted breakfront top above a single drawer, raised on reeded and turned baluster legs with carved claw feet, height 94cm, width 131cm, depth 58cm.

Estimate: £300 - £400

---

## Condition Report

2018. The top has a round watermark that is a little unsightly but not too serious. The sides of the top appear to have been shaved down slightly, possibly to fit the table in a recess, this has resulted in it losing some of its veneer. Otherwise minor scuffs and marks.
