## LOT 2821

A 19th century felt raised work panel depicting a woven basket of strawberries, 17cm x 20.5cm, within a wide section mahogany frame. Provenance: from the estate of the late Nellie Lenson-Smith (1928-2017).

Estimate: £40 - £60

## Condition Report

2821. Some minor browning to the edges of some of the felt, otherwise in fair condition. We would suggest the frame is almost certainly original to the piece; it has some minor surface marks and scratches.
