LOT 2594

An early 19th century turned treen goblet with an overall rich brown patina, height 14.6cm, together with another 19th century treen goblet, height 12.6cm.

Estimate: £100 - £150

Condition Report

2594. The long stemmed goblet is in generally good order, a few tiny old nicks to the rim. The other has a thin hairline crack to the base, but otherwise ok.
