

## LOT 2597

A late 18th/early 19th century turned fruitwood muffineer, the pierced dome top above a tapering ovoid body, height 14.2cm (cracks to rim of lid). Note: similar examples are illustrated in 'Treen for the Table' by Jonathan Levi, pages 88 and 89.

Estimate: £60 - £90

---

## Condition Report

2597. The cover has four thin hairline cracks running from its rim, but otherwise in fair condition.
