## LOT 2582

A late 19th century Swiss Black Forest carved softwood novelty nutcracker in the form of a dog's head, length 19cm, together with a similar nutcracker in the form of a monkey's head, length 21cm. Provenance: from the estate of the late Nellie Lenson-Smith (1928-2017).

Estimate: £50 - £80

---

## Condition Report

2582. The dog nutcracker has a series of fairly typical small hairline cracks to the top of the head, otherwise some minor surface wear. The monkey also has typical surface wear and minor scratches.
