

British and Continental Ceramics and Glass / Thursday, 14th June 2018 / Lot 1516

LOT 1516

An unusual Zsolnay Pecs Eosin lustre circular box and cover, circa 1900, of ribbed form, decorated in the round with stylized foliate medallions against a whorl ground, the cover with one large medallion within a border of circles, the base interior and cover underside with large flowerheads against a green/gold ground, painted mark and incised numerals '4990' to base, diameter 10cm.

Estimate: £300 - £500

Condition Report

1516. Fine crazing to glaze overall. Minor glaze abrasions to flange of cover where sits into top of pot, one has very minor haircrack to it, approx 0.5cm. Some scratches to base underside and very minor glaze rubbing to edge of foot and rim of pot. Typical light wear/surface scratches predominantly visible to decorated interior and underside of cover. Overall the box and cover is in good condition, these are very picky issues which are only noticeable on very close inspection. Diameter 10cm, height 5cm.
