LOT 600

A late Victorian diamond and cultured pearl brooch, mounted with the principal cushion shaped diamond within a rose cut diamond surround and a border of alternating cultured pearls and rose cut diamonds, diameter 2.2cm, with a case.

Estimate: £1,000 - £1,500

Condition Report

600. The principal diamond has one or two edge nicks with one or two internal inclusions and slightly draws colour. The surrounding rose diamonds are more white and have one or two internal inclusions. The surrounding cultured pearls have an attractive light silvery grey lustre. In overall good condition. Weight 6.4g.
