

Jewellery / Wednesday, 13th June 2018 / Lot 640

LOT 640

A diamond and ruby triangular cluster stick pin, mounted with the principal triangular cut ruby to the centre, otherwise mounted with nine cushion shaped diamonds and three cushion shaped rubies, with an associated case.

Estimate: £200 - £300

Condition Report

640. The rubies have slight variation of colour. One of the smaller rubies is cracked right through the centre. There is some variation of cut to the diamonds. Some claws would benefit from re-tipping. Top - each side of triangle 1.2cm long.
