LOT 555

A white gold, emerald and diamond drop shaped pendant, collet set with a drop shaped emerald within a surround of circular cut diamonds with a diamond set single stone suspension, length 1.7cm, on a white gold neckchain, detailed '750', with a case.

Estimate: £600 - £800

Condition Report

555. The pendant is in good condition overall as is not an old piece of jewellery. The central emerald is a clear bright colour with some small inclusions which would suggest it has been treated. The single suspension diamond has black inclusions visible with a x10 loupe, there are typical minor inclusions visible to the smaller diamonds with a loupe.
