## Condition Report

In good restored condition. Relined, repairing some tears including the mountains and sky. Restorations include filling, overpainting and touches to details. Previous cleans have left the paint a little 'thin' in areas. Craquelure throughout. The restoration has been undertaken to a good standard. Frame in good condition but with some minor chips to composition and minor loss of gilt, most noticeably to the corner joint of the slip. Overall the gilt looks a little dull.
