

Asian and Islamic Ceramics and Works of Art / Thursday, 14th June 2018 / Lot 1060

## LOT 1060

A Japanese silver and Shibayama inlaid ivory rectangular tray, Meiji period, the ivory central panel finely inlaid in mother-of-pearl, tortoiseshell and hardstones with a duck swimming through iris and lotus towards two fish, the silver filigree rim pierced with flowerheads and foliate scrolls, on bracket feet, unmarked, length 21.6cm (some faults to silver underside).

Estimate: £800 - £1,200

---

## Condition Report

1060. Ivory panel in good condition. One piece of iris leaf inlay missing just behind the flying duck. Otherwise inlay in good order and almost all present. Silver filigree frame is in generally good order with no significant damage or repairs, only minor misshaping. The back panel however has come away from the rest of the dish so would need to be repaired/re-attached probably by soldering. Feet also slightly misshapen.
