LOT 2005

A pair of mid-Victorian burr walnut pier cabinets with ebony banding, each frieze inset with green dip jasperware panels and with gilt brass mounts, each inverted breakfront with glazed panel door flanked by arched canopies, supported by ebonized and stop fluted columns with Corinthian capitals and acanthus leaf balusters, on bun feet, height 100.5cm, width 92cm, depth 40.5cm. Provenance: from the estate of the late John Young (1927-2017).

Estimate: £3,000 - £5,000

Condition Report

2005. General overall condition is good with some overall minor typical surface scuffs and marks. There are a couple of very small sections of veneer missing to the front frieze and the right side of one cabinet is a bit sun bleached. One of the rectangular jasperware panels is missing its gilt metal beaded surround to both sides. Some of the columns are slightly loose and there is some slight flaking to the gilt fluting.
