LOT 1118

A Chinese pale celadon jade plaque, Qing dynasty, carved and pierced with a bat above a pheasant, scrolling tendrils and log, length 5.2cm.

Estimate: £80 - £120

Condition Report

1118. Overall good condition with no obvious chips, cracks or repairs. There is a possibility that there has been a very small chip to the edge, which may have been polished out, but this is negligible and may just be how it was originally carved.
