

British and Continental Ceramics and Glass / Thursday, 14th June 2018 / Lot 1465

## LOT 1465

A Royal Doulton Slaters Patent stoneware jardinière with floral decoration beneath the green rim, impressed and printed marks to base, height 20.5cm.

Estimate: £30 - £50

---

## Condition Report

1465. In generally good condition. There is a faint firing crack to the interior near the base, does not go through to the exterior. There is also a small area on the wavy rim where the green glaze has not completely covered the stoneware body during manufacture and is showing through.
