

British and Continental Ceramics and Glass / Thursday, 14th June 2018 / Lot 1513

LOT 1513

A Mennecy porcelain toilet pot and cover, mid-18th century, of fluted cylindrical shape enamelled with flower sprays, the cover with button knob and brown line rim, incised 'DV' to base, height 6cm (minor chip to rim edge of pot).

Estimate: £100 - £150

Condition Report

1513. In generally good condition. A minute nibble to the inner rim edge of lid, probably during manufacture, another nibble to brown lined rim edge of lid and a small chip to rim edge of pot itself.
