LOT 2002

A late George III mahogany twin pedestal partners desk, the moulded top inset with green leather above an arrangement of twelve drawers and two cupboards, raised on pedestal bases and castors, height 83cm, width 151cm, depth 96cm.

Estimate: £500 - £800

Condition Report

2002. Typical scuffs and marks to leather top and has two cleverly covered holes created for electrical cables. The covers painted to imitate leather. Handles and locks appear to be original and there are only fairly typical old surface marks, scuffs and dents to corners and edges of mahogany. The plinth base corners have very minor gapping to two joints, but otherwise good order.
